## Hodgdon Meal Plan Info:

**Hodgdon Meal Plan Dollar Equivalency**  
To give students on Meal Plans added flexibility, each meal period has a Hodgdon Dollar Equivalency, which you can use to purchase food at Hodgdon Good-to-Go Take-Out if you do not eat at a Dining Center during that same meal period. If the price of a meal you select at Hodgdon exceeds the Meal Plan Dollar Equivalency, the difference can be paid with JumboCash or cash. If the price of a Hodgdon meal is less than the Dollar Equivalency, the difference is not redeemable for cash. The Hodgdon Dollar Equivalency is a great way for students on Meal Plans to grab take-out meals when you don’t have time for a sit-down meal, need to bring your meal with you, or just want a fun change of pace.

### Meal Periods & Hodgdon Dollar Equivalent per meal period

<b>Breakfast – 8:00-10:59am</b>	\$4.76
<b>Lunch – 11:00am-4:59pm</b>	\$7.76
<b>Dinner – 5:00-10:00pm</b>	\$9.37

Meals may exceed the equivalent dollar value; the difference can be paid with JumboCash or cash. Meals falling below the equivalent dollar value are not redeemable for cash.

You may enter Hodgdon only once per meal period if you are using a Meal Plan Meal and only if you have NOT eaten at either Carmichael or Dewick-MacPhie Dining Center. If you are paying with JumboCash or cash you may enter any time.
